

# Welcome to Porters Grange Primary School & Nursery

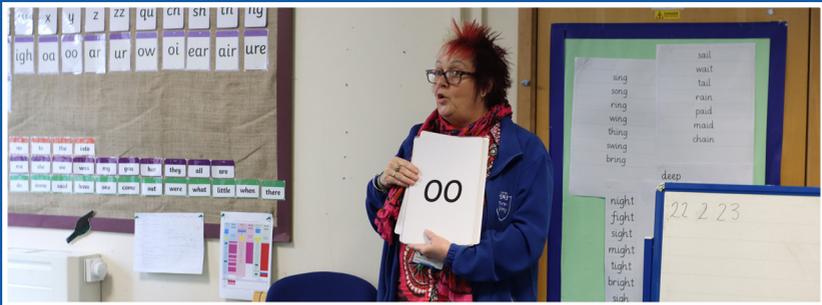

## Our School Routine in Reception

# Our daily routine

We come into the classroom, register and choose our lunch

After registration we have our phonics lesson. This is when we learn our letters and sounds.

After phonics we choose to play inside or outside. Our Teachers teach us through this play.

We end the morning with a maths lesson. We learn to count, weigh, measure and make patterns.

Once maths has finished it is time for lunch. We carry our own trays and eat our dinner and dessert. We then play on the 'south playground' with year one.

We register back in reception and act out the stories we have written.

Once again, it is time to choose where we play. Our learning continues alongside our Teachers.

At the end of the day we listen to and join in with a story. We get ready to go home, tired but happy.
