

### P.E and Picnic at the Park - 23rd June

On an action packed afternoon, our Year 6 cohort will make a visit to Southchurch Park, where we will enjoy our lunches al fresco, before spending a fun filled afternoon using the wide open spaces to complete some sporting P.E activities. There may also be a special ice cream delivery...

### Principal for the day - 12th July

One candidate from Year 6 will be elected as our new Principal! Well, for a day at least... This highly coveted role will see our new Principal decide what menu the children will have, whether or not to extend our play times, as well as what lessons we will partake in to celebrate our amazing school.

### Bikeability - 3rd—6th July

For three days, our Year 6 pupils will be taught by expert cycle instructors on how to navigate the roads safely using a bicycle. From experienced riders to novices, all pupils will learn the vital skills required to be road safe in preparation for Secondary School and beyond.

## **Year 6 Leavers' Diary Of Events Summer 2023**

### Leavers' Performance - 13th July

It's am-dram time as the children perform their final show at Porters Grange. Written by our own Mr. Rasor, the performance delivers laughs abound, as well as some Porters twists on some classic songs. The pupils have worked very hard learning lines and lyrics and can't wait to perform for you.

### Danbury Camping - 17th—19th July

Our pupils will embark on some awesome adventures in the great outdoors as they head off to Danbury for three days of camping fun! For those not attending, we will be headed to Roots Hall for a Southend United stadium tour and workshop, forest school activities and a trip to the park!

### Leavers' BBQ and Water fight - 20th July

We fire up the grill for our departing pupils, as we replace the usual school menu with a delicious BBQ, prepared by our chef on site, and enjoy some food together in the sun. With the warm weather expected, battle lines will also be drawn as the pupils cool off with a competitive (and fun) water fight!

### Enterprise Weeks - June 25th—7th July

Our Year 6 pupils will create a series of fun and interactive fund raising games, as well as devising delicious snacks to sell for other pupils to enjoy at break and lunch times.

### Leavers Assembly and shirt signing - 21st July

The children will have time to get their shirts signed by fellow pupils and staff before we bid farewell - with an assembly full of memories and a look back at your time at Porters Grange.
